

PRESS RELEASE - 31ST OCTOBER

Bonfire by the Beach 2016

Bonfire by the Beach on Saturday 29th October was the biggest, best and most successful annual bonfire event West Bay Days has organised. Large crowds of local residents and visitors were treated to a truly spectacular bonfire and fireworks display, as well as live music entertainment from the very popular Mama Feelgood. An out-door-bar and range of food and other stalls completed the attractions, and the organisers are delighted with the feedback that they have received.

West Bay Days would like to thank Bridport Town Council, their generous sponsors, and their many helpers and volunteers for all their support which helped to make this such a successful community event. Proceeds from all West Bay Days' events go to support their annual awards to local groups and charities, and this year's beneficiaries are Bridport Barracudas, Bridport Youth Football Club, Greenhills and West Bay Women's Institute.
