

## **West Bay Days**

### **PRESS RELEASE**

**Pirates Day, West Bay, Sunday 28th May**

There was a huge invasion of pirates from far and wide for West Day Days' annual Pirates Day on Sunday 28th of May making this their most successful Pirates Day to date.

It was a great family event with a wonderful atmosphere and sense of community spirit, and the organisers were delighted to see so many visitors and especially children, stall holders, staff in local businesses and volunteers dressed in pirate costume. The children showed their skills at a range of pirate games and managed to win the majority of the near 1,000 prizes on offer. The crowds were very appreciative of the two performances by the Bridport Street Crew, as well as the delicious cake and teas in the West Bay Cafe. With stalls on Harbour Green this popular community event continues to grow.

West Bay Days would like to thank their 2017 beneficiaries, Bridport Barracudas, Pathways to Care, St Andrew's Pre-School and West Bay Women's Institute for providing a great crew of volunteers, the many generous sponsors and regular volunteers, and particularly the local community and visitors for their help and support.

Don't forget West Bay Day on August 6<sup>th</sup>!
