June 2016

Dear Sponsor,

To all our sponsors of Pirates Day 2016

The organisers of West Bay Days would like to thank you for your generous support in sponsoring *Pirates Day* on 29th May 2016.

As you will have seen in the *Bridport News* and *View From Bridport* we were blessed with blue skies and warm sunshine and there was an excellent turn out. The children loved walking the plank and other pirate games, and especially choosing their prizes from the hundreds on offer. The new West Bay Days Café in the Salt House was an instant success with its delicious home-made cakes and will be back again on West Bay Day, on Sunday 7th August.

Proceeds from the day will enable our future events and support West Bay Days' beneficiaries for 2016. These are Bridport Youth Football Club, Bridport Barracudas, Greenhills and West Bay Women's Institute, all of which provided volunteers to help at the event.

The success of our events is very much dependent on our fantastic volunteers and generous sponsors (and the weather of course) and your help is greatly appreciated.

With many thanks again for your support,

Sylvia Stafford

Chair, West Bay Days
