

PRESS RELEASE - 8th August 2016

West Bay Day, Sunday 7th August 1.00pm - 11.00pm

The organisers of West Bay Day are delighted with the crowds of visitors who turned out to enjoy the annual family fun day. The new Duck Race was a sell out, the Classic cars and bikes drew many enthusiasts and admirers, and the Chesil Model Flying Club put on a spectacular show of night flying to entertain the crowds. With the ever popular walk- the-plank and other pirate games, many more stalls on the Greens and Esplanade, and terrific live music from 1.00-11.00pm there was plenty for everyone to enjoy all day.

West Bay Days would like to thank all participants, volunteers, sponsors and visitors for making the day such a great success. West Bay Day is the group's main annual fund raising event and this year it is supporting the Bridport Barracudas, Bridport Youth Football Club, Greenhills and the West Bay WI, as well as the Lyme Bay Fisherman's appeal to fund a defibrillator to be located near to the Harbourmaster's Office. A special thank you is due to Brit Valley Campground for allowing the use of field parking for the day which will enable a donation to the Dorset and Somerset Air Ambulance.

Sylvia Stafford
Chair, West Bay Days
