To: The Sponsors of West Bay Day

West Bay Day

We should like to say a very big thank you to you for your generous sponsorship of our recent West Bay Day. The family fun day and terrific live music from 1.00- 11.00pm was a great success and drew crowds of appreciative visitors. We have been delighted with the feedback from our attractions, stallholders and many visitors as well as the press and media coverage, which I hope that you may have seen.

The day will benefit our chosen local charities and groups, and this year we happily support the Bridport Barracudas, Bridport Youth Football Club, Greenhills (Adult Learning Difficulties) and West Bay WI. We are also supporting the Lyme Bay Fisherman's appeal for a defibrillator to be located near to the Harbourmaster's Office in West Bay and The Dorset and Somerset Air Ambulance.

Time now for a short rest before we start on our next event, *Bonfire by the Beach* which will be on Saturday 29th October.

With many thanks for your continuing support,

Sylvia Stafford,
Chair, West Bay Days
